OUR STORY

Avinda Enterprises was founded in 1992, by entrepreneur Gamini Wijith Hettiarachchi. A journey which started with just two employees in small premises, has grown tremendously over the years, to be known as the place to go for Mercedes-Benz spare parts.

Avinda Group as of 2022 employs more than 40 employees. The company deals in Mercedes Benz parts and has been doing it successfully for more than 30 years. Avinda has the widest range of Mercedes-Benz parts with brands covering all budget ranges of customers.

Customers of Avinda have a choice from original Mercedes parts, original equipment manufacturer aftermarket parts to low cost aftermarket parts and preowned parts.

CHAIRMAN'S MESSAGE

G. W. HETTIARACHCHI

Chairman/Managing Director

“

Little did it occur to me when I put the foundation to Avinda Enterprises quite a long time ago, that it would grow to become something monumentally successful. I must say that every time when I look back, my memories get filled with nostalgia. It has not been a bed of roses. However, we aged with vivid experiences which made us the prominent Mercedes-Benz Spare Parts Dealer in Sri Lanka.

At Avinda, we strictly maintain our policies and disciplines which form the core of our establishment. We make sure, our customers get the best. Avinda Enterprises is not just a business for me. It is a prominent part of my life and my journey in life will continue to strengthen Avinda Group. We hope to diversify our portfolio and capitalize on the true capacity of Avinda Group.

”

DIRECTOR

Head Of Operations & Lead Diagnostic Expert

THUSHAN S. HETTIARACHCHI

BEng Mechatronic

Contact E-mail t@avindabenz.com

Thushan has over a decade of experience in the automotive trade including completing an in house training at a Mercedes-Benz specialist in Germany spanning over 3 Months. He is an allrounder with knowledge spanning to software, mechanical & electronic engineering. A self learned expert at most complex diagnostic programming & coding in German language. Thus becoming the first Sri Lankan to do so. Having a passion for coaching he continuously focuses on training and developing his staff in order to give the best possible experience to Avinda Auto customers.

“

In times like this, we believe in providing our customers best quality service at best possible rates

”

VISION & MISSION

OUR VISION

To be a driving force in the automotive after-sales service industry in Sri Lanka, satisfying customer expectations.

OUR MISSION

To be the number one supplier of services and parts for European vehicles in the country with the best possible agile & professional team.

To be the largest stockist of European automotive after-market spare parts in Sri Lanka.

OUR VALUES

Skill

With no skill, no professional work can be done
